

MTA's 21st Annual New Member Program

GET TO KNOW YOUR UNION!

**ARE YOU AN EDUCATOR IN YOUR FIRST FIVE YEARS OF PRACTICE?
ARE YOU NEW TO THE MTA?**

Take your first steps in becoming more involved in your union, school, profession and community! Designed for educators in their first five years, the New Member Program gives you a chance to find out more about your membership in the MTA. You'll also learn about the policies and laws that govern public education and how you can affect them. Join us for several days of workshops, networking and socializing. The New Member Program is presented by the New Member Committee and is offered at no cost to MTA members.

Top five reasons to join the 2017 New Member Program:

1. Network
2. Know your contract
3. Understand your union
4. Negotiate a mock contract
5. Be a better union member and educator
